Treasurer Purchases Tax-Exempt Costco Card for Club Usage

Dear Club Leaders,

In response to a growing demand, the Office of the Treasurer is pleased to inform you of our newest edition to club resources, a tax-exempt Costco Membership Card, now available for use by club leaders.

If you would like to use the Costco card for your club purposes, please come to any Office of the Treasurer member's office hours, which can be found at <http://thetreasurer.org/calendar.htm>. The card will be rented out on a first come, first serve basis.

Please keep in mind that only club leaders who have signed the contract at the mandatory information session may use the card for their respective clubs and they must have the money they are spending in Finance Board Allocation Fund or their Fundraising Account. When using the Costco card, club leaders must sign the Costco Card Load Agreement. The card may only be rented out for a maximum of 5 hours.

We look forward to helping club leaders take advantage of this new resource!
