## Final Budget for Fall 2007 Passed by the Senate

The Office of the Treasurer is pleased to announce that the final government operations budget for Fall 2007 semester has been passed by the Senate unanimously last night (Sunday, October 28, 2007).

An initial budget was passed by the Senate a few weeks ago, but that budget only focused on the Union Executive Board operations. This week's proposal included final breakdown of committee budgets, including Services Committee (for Midnight Buffet and Turkey Shuttle) and PBUS (Project Brandeis University Spirit) Committee (for various initiatives throughout the semester). Other committees expressed that they do not need a budget for this semester.
